"Take Me Out"

---

So if you're lonely  
You know I'm here waiting for you  
I'm just a cross-hair  
I'm just a shot away from you  
And if you leave here  
You leave me broken  
shattered, I lie  
I'm just a cross-hair  
I'm just a shot, then we can die  
I know I won't be leaving here  
With you

I say don't you know  
You say you don't know  
I say... take me out

I say you don't show  
Don't move, time is slow  
I say... take me out

I say you don't know  
You say you don't know  
I say... take me out

If I move, this could die  
If eyes move this can die  
I want you... to take me out

I know I won't be leaving here  
(With you)  
I know I won't be leaving here  
(With you)  
I know I won't be leaving here  
(With you)  
I know I won't be leaving here  
With you

I say, don't you know  
You say you don't know  
I say... take me out

If I wait this could die  
If I wane this could die  
I want you to take me out

If I move, this could die  
If eyes move this can die  
Come on... Take me out

I know I won't be leaving here  
(With you)  
I know I won't be leaving here  
(With you)  
I know I won't be leaving here  
(With you)  
I know I won't be leaving here  
With you
